Southport, North Carolina ***Friday, September 18th, 2026***

Southport is located on the coast of Southeastern North Carolina, where the Cape Fear River meets the Atlantic Ocean. It is known for its stunning scenery, history, maritime heritage, and breezes that cast a calm and welcoming ambience.

Overlooking the beautiful Cape Fear River, this charming old southern village offers up plenty of mystery and history! Many movies have been filmed here like Nicholas Sparks “Safe Haven”, “Matlock” and “Crimes of the Heart”, which you will learn about when we arrive at the Southport Visitors Center. From there we will walk over to visit the North Carolina Maritime Museum. The mission of the North Carolina Maritime Museum in Southport is to collect, preserve, and interpret material culture pertinent to the maritime history of the Lower Cape Fear region.

After lunch we will go for a wine tasting at Silver Coast Winery’s Downtown Southport location. Afterward, there will be some time for shopping in Downtown Southport where you may want to visit the Christmas House, an antique shop or one of the many fine art galleries!
