Gibbes Museum and Holy City Church Visit Wednesday, August 26, 2026

From American Regionalism and the Charleston Renaissance to Contemporary Artists. The Gibbes Museum of Art is home to the foremost collection of American art that incorporates the story of Charleston. The Museum connects the city and region's artistic past to a vibrant contemporary art scene.

We will see original works of famous artists from Charleston like Alice Huger Smith, Elizabeth O'Neil Verner, Alfred Hutty and Ann Taylor *with docent Robin McCall*. Her favorite - the Miniature Portrait room! This is the nation's second largest collection with over 600 works in this room that are small enough to fit in the palm of your hand.

We will also take a tour of the Circular Congregational Church and walk through their historic graveyard where you will see some of the rarest and oldest portrait headstones in the nation. Lunch is included on this tour.
