Let's make a Day Trip to Calabash, N.C. and visit the **Calabash Garden Tea Room** for a Teatime filled with ambiance and charm!

The Calabash Garden Tea Room is a Victorian style tea house in downtown Calabash that is filled with garden furniture, vintage linens, antique teacups, pots and silverware. We will enjoy their **Ultimate Tea** which includes Spring Mix Salad with Secret Garden Salad Dressing, Fresh Baked Scones Served with Lemon Curd & Clotted Cream, Assorted Tea Sandwiches and Miniature Desserts. The tea sandwiches are served on ornate tiers decorated with fresh flowers and made of only the finest ingredients. Over 80 varieties of teas to choose from (all available to purchase). The tables are set with fine china, silver and linens. The walls are adorned with antique pictures and décor. Soft music plays in the background while guests enjoy the experience of "taking tea" in a relaxed and unhurried atmosphere. Let's sip, relax and enjoy life for a while!

Before we leave, take a moment to visit their gift shop where you can purchase all 80 of their gourmet teas, tea pots and teacups!

While in Calabash, we will also visit a consignment shop and some boutique galleries. You'll find original paintings, pottery, driftwood art, shell figurines, jewelry, glassware, cards, and more, that are lovingly handmade by talented artists and local crafters.

A day of tea, treats & treasures! ♥
