Spring is in the air at the annual Spring Plant & Flower Festival at the Pee Dee State Farmers Market. A vast selection of colorful spring flowers and plants are available for purchase. Get inspired by the helpful information by the Florence County Master Gardeners who will be on hand to answer questions and provide free gardening advice. South Carolina certified products will also be available for purchase in addition to many other "must have" items for your home and garden.

Lunch will be at Schoolhouse BBQ that offers "southern cooking" in a nostalgic, laidback atmosphere in a real 1930's schoolhouse. They have an all-you-can-eat buffet with BBQ and a wide variety of other meats and vegetables cooked daily.

Our next stop is the Moore Farms Botanical Garden, a truly special place. Our guide will provide an enjoyable and information packed stroll through the garden and we will visit the green roof and living wall in the traditional English style. You will gain unique insight into the design concepts, plant identification, gardening techniques and the history of the garden.
